This diagram shows a cross-section of a multi-layered structure. The structure consists of several horizontal layers, some of which are hatched with diagonal lines. A central assembly is located in the middle of the structure. This assembly includes a central core (81) surrounded by a layer (82). The core is flanked by two side components (83) which are connected to a base (84). The entire assembly is supported by a series of vertical pillars (71, 72, 73, 74, 75, 76, 77, 78, 79, 80). The layers are labeled 90, 93, and 94. The side components are labeled 81 and 82. The base is labeled 84. The pillars are labeled 71, 72, 73, 74, 75, 76, 77, 78, 79, and 80.
